

HARDWOOD LUMBER SUPPLIERS

Hughes Lumber of Ranch Cordova
11441 Sunrise Gold Circle
Rancho Cordova, Ca.
Ph: 916 638 8658

This store supplies the normal hardwoods and some exotics. They have some moldings and woodworking sundries such as glue and saw blades. They are on the small side but can probably supply the normal materials you would need.

J.E. Higgins Lumber Co.
180 Market St.
Sacramento, Ca.

This store is a large supplier of normal hardwood and some harder to find hardwoods, but not exotics. They have stacks of lumber for the customers to go through. If you want something specific they will bring it to you. This is a new facility near Natomis.

National Wood Products
8435 24th Ave.
Sacramento, Ca
916 381 7311

This is large facility that does mostly wholesale, but they will also sell to retail customers. They have stacks conveniently located to pick through, but if you want to look at other material, they have that also. What I like about this store is that it is very well organized and they carry different grades of lumber of each species. If you are looking for something special, this may be the place. They do not have exotics or sundries.

Aura Hardwoods
2477 Mercantile Dr.
Rancho Cordova, Ca

Aura has a nice selection of moldings and veneers. They do carry some exotics. If you don't see what you want, ask for it and either they will have it or they will order it for you. They carry a lot of sheet goods as do the other stores. They also carry some sundries.
